"It Pays to be Fair"

Probably no other business on earth offers more opportunities than ours to take advantage of customers, because in the drug line they hardly ever know what they are getting for their money.

As for us, we believe that a kindly consideration of others is as potent a factor today in building up business as it ever was. We know from our past that "It Pays to be Fair." When you learn that this is the inspiring aim of our whole store; when you know we have in mind the sole idea of doing our very best for you, to sell only the one high quality of drugs that are guaranteed under the National Pure Food and Drug Law, and sell them at a lower margin of profit than you can buy them for elsewhere, then we shall know it will be hard for you to think of taking your patronage elsewhere. Its a case of earning the right to your preference when you start for a drug store. All we ask is to tie-up with us for awhile and give us an opportunity to prove our faith and ability to sell cheaper or disprove them. We are not afraid of the result.

# NATURE'S ESSENCE

## Extracted From Forest Plants.

Nature's laws are perfect. If we obey them, all goes well, but disease follows disobedience. Go straight to nature for a cure, to the forest; there are mysteries there that we can fathom for you. Take the bark of the wild-cherry tree, the root of mandrake, stone root, queen's root, bloodroot and golden seal, make a specific, non-alcoholic extract of them with just the right proportions and you have

### DR. PIERCE'S GOLDEN MEDICAL DISCOVERY.

It took Dr. Pierce, with the assistance of two learned chemists, eight years of hard work experimenting to make this vegetable extract and alterative of the greatest efficiency.

Just the sort of spring remedy you need to make rich, red blood, and cure that lassitude and feeling of nerve exhaustion. Dr. Pierce's Golden Medical Discovery bears the stamp of PUBLIC APPROVAL and has sold more largely in the past forty years than any other blood purifier and stomach tonic. The refreshing influence of this extract is like Nature's influence—the blood is bathed in the tonic which gives it life—the vital fires of the body burn brighter and their increased activity consumes the tissue rubbish which has accumulated during the winter. Dr. R. V. Pierce, the founder of the Invalids' Hotel and Surgical Institute, and a physician of large experience and practice, was the first to make up an ALTERATIVE EXTRACT of roots, herbs and barks.

The above illustration represents the several native medicinal plants which enter into Dr. Pierce's Golden Medical Discovery.

## Without a Particle of Alcohol or Narcotics.

which purifies the blood and tones up the stomach and the entire system in Nature's own way. The "Golden Medical Discovery" is just the tissue builder and tonic you require when recovering from a hard cold, grip, or pneumonia. No matter how strong the constitution the stomach is apt to be "out of kilter" after a long, hard winter; in consequence the blood is disordered, for the stomach is the laboratory for the constant manufacture of blood. Dr. Pierce's Golden Medical Discovery strengthens the stomach—puts it in shape to make pure, rich blood—helps the liver and kidneys to expel the poisons from the body. If you take this

### Natural Blood Purifier and Tonic.

you will assist your system in manufacturing each day a pint of rich, arterial blood, that is stimulating to the brain and nerves. The weak, nervous, run-down, debilitated condition which so many people experience at this time of the year is usually the effect of poisons in the blood; it is often indicated by pimples or boils appearing on the skin, the face becomes thin—you feel "blue." Dr. Pierce's Golden Medical Discovery CURES all blood humors as well as being a tonic that makes one vigorous, strong and forceful. Dr. Pierce's Golden Medical Discovery

## STANDS ALONE

as the one medicine for stomach, liver and blood disorders that has the ingredients printed upon the wrapper of every bottle leaving the great laboratory at Buffalo, N. Y., which CURES in Nature's own way; not only does it STAND ALONE in respect to its ingredients but also as the only spring tonic and reconstructive which absolutely contains NO ALCOHOL.

# DOES YOUR BACK EVER ACHE ?

*"Every Picture Tells a Story."*

Then Your Kidneys are Weak  
and Need QUICK Help.

That troublesome pain in the small of the back points straight to kidney sickness. Backache will not leave of its own accord, nor will sick kidneys cure themselves. Every day of neglect makes the cure harder.

Don't make light of a pain in the back. It means there is congestion and inflammation in the kidneys—that the kidneys are clogged and inactive, can't do their whole duty of filtering the blood. It means the circulation of impure blood throughout the body, a weakening of every nerve, muscle and vital organ.

When you first feel pain in the small of the back, or first notice anything wrong with the urine, don't delay a moment. Give the kidneys the help they need.

Doan's Kidney Pills have a quick and direct action on the kidneys. They drive out the poisons that taint the blood, cleanse and stimulate the kidneys, regulate the urine, cure backache, dizziness and languor, and permanently heal the kidneys.

## A Springfield Case

Proof That Can be Verified by Any Reader. The Experience of  
a Veteran of Two Wars.

Capt. Frederick A. Lewis, proprietor of grocery at West Main Street and Western Ave., Springfield, O., is a man whose military record is most unusual, who was with the British Army in the Crimean War, 1854-56; fought at Sevastopol in 1856, and coming to America, served through the Civil War, having earned promotion in Co. K., Ohio Volunteer Infantry. Capt. Lewis endorses Doan's Kidney Pills, and is never unwilling to tell of his experience with this remedy.

"Hardships endured while serving under two flags," says Capt. Lewis, "laid the foundation for kidney complaint and bladder trouble, both of which annoyed me greatly for eight years. I would not undertake to describe all my sufferings, but in 1896 I had the good fortune to learn of Doan's Kidney Pills, and as I said at that time, this remedy brought me the first real relief I had had, and so convinced me of its value that I have recommended the remedy to many of my customers and friends. I have the same faith in Doan's Kidney Pills today, and am glad to confirm my former testimony, and would advise every sufferer from kidney troubles to try Doan's Kidney Pills."

IT'S A WINNER

The SEAT-BAR ACTION (Bradley's Exclusively) makes the work so simple that about all there

is to it, is the driving of The Team. The Seat-Bar Lever is the smoothest dodger you ever heard of. It controls Wheels, Gangs and all, and on a hillside it works as well as on a level spot.

NO DRIFTING—The operator's weight gravitates downward. This inclines the wheels upward enough to keep them in the correct course. Gangs parallel—shovels always square. Even depth of cultivation always—pressure springs assure this.

## BRADLEY'S LITTLE JAP CULTIVATOR

embodies the above features and is a great favorite in hilly countries.
